

December 2008 Newsletter

Have you missed your newsletter?

If you have, let me know by sending me an e-mail to Randy@4taxman.com. We want to offer our members what they want and your email to me lets us know you want it to be continued.

A lot has happened since the last newsletter in September.

We have moved our MSEA office. Our new address is MSEA, 1080 Minnesota Ave., #1, San Jose, CA 95125. You can continue to reach us by phone at 800-832-6732.

When you call our office, you will receive a voice mail. We try to pick up and return your calls twice a day--once in the morning and once in the afternoon. If you need to contact someone quicker, you may try our office e-mail at office@missioneas.org.

This is going out to you just before our Holiday Luncheon, and I wanted to remind you that it is at the Elks Club in Santa Clara on December 16. The address is 1680 Martin Av., Santa Clara, CA 95050. (See our website www.missioneas.org for more information.) The luncheon will include an auction. I heard we have some very cool items that include a vacation in Yosemite!

We are in need of volunteers. If you are interested in getting more involved in MSEA, please contact either Jill Mendenhall or me. You can contact Jill at mendenhalltaxes@gmail.com or me at Randy@4taxman.com.

I want to thank Karen Fihn, our editor from years ago, for stepping forward and getting the December newsletter out. We are looking for a permanent replacement. How about you?

CSEA News

Jim Stern Legislative Day is coming soon! The event will be held in Sacramento on Friday, January 9, 2009. If you have never participated in the event before, I encourage you to try it at least once.

The day begins with a visit to the Capitol. When you register for the event, CSEA will schedule an appointment for you to meet with your local area legislator (or his/her staff). If there are other EAs from your area in attendance, you will meet with the legislator(s) as a group. The meetings last about 15 minutes generally, and it provides a chance to introduce yourself and to make sure the legislator and his/her staff are aware of the expertise enrolled agents have to offer in the field of taxation. This could prove to be a valuable contact in your tax practice. For those of you looking for PR material, it would be a great opportunity for a photograph of you at the Capitol in a meeting with your legislator!

After a morning at the Capitol, registered attendees will meet for lunch at a nearby hotel. In the afternoon, CSEA will have guest speakers address the group. Unfortunately the speaker line-up has not been finalized yet, but I'm sure it will be interesting.

I hope to see you in Sacramento on January 9, 2009!

Margy Dunn, EA
CSEA Director
